Replaces Price List No. PL 96-19

OFFICE SUPPLIES  
(IFB-97-064-O)

January 1, 1997 to December 31, 1997

Please note that each page has a column for "Primary Offer" and "Secondary Offer". **You must purchase your supplies from the vendor listed under the column "Primary Offer."** On some items, a "Secondary Offer" is also listed. In case 1) a vendor is out of stock and cannot deliver your order within the time allowed or 2) is unable to provide you with an acceptable substitute at the same price as the primary offer, you may then order the same item(s) from the vendor listed under "Secondary Offer." By providing you a second choice, we hope to eliminate many requests to purchase from a "non-price list" vendor.

On some items, no bids were received under the "Secondary Offer" column. In these cases, then the former procedures shall apply as follows: in case 1) a vendor is out of stock and cannot deliver your order within the time allowed or 2) is unable to provide you with an acceptable substitute at the same price, you may then purchase from another source with prior approval from the Chief Procurement Officer. This prior approval shall be requested by submitting SPO Form-5, "Request for Authorization to Purchase Outside of the Price List".

PURCHASE ORDERS for office supplies listed shall be placed with the following vendors:

<u>Vendor Code</u>	<u>Vendor</u>	<u>Address</u>	<u>Telephone</u>
6690-00	Conrad Enterprises, Inc.	301 Sand Island Access Rd. Honolulu, HI 96819	842-4467

207925-80	HOPACO	2833 Paa St. Honolulu, HI 96819	831-8611
check vendor code list	Pacific Rim Packaging, Inc.	P.O. Box 5103 Kaneohe, HI 96744	247-8878

**UNIT PRICES** include delivery to destination and all other costs EXCEPT the State General Excise Tax which is currently 4%. Agencies are advised to add the amount of the tax to their purchase order total. General excise tax shall not be applied to delivery charges.

**PURCHASE ORDERS** must be received by the vendor no later than December 31, 1997. It is the agency's responsibility to insure that purchase orders are sent to the vendor on a timely basis. The vendor is not obliged to accept any order received after the price list expiration date.

Purchases from this price list are for supplies needed by agencies during the contract period. Agencies may not issue purchase orders specifying delivery after the price list expiration date. This excludes those orders received by the vendor towards the end of the price list period for which delivery may extend beyond the price list expiration date.

"SPO PRICE LIST NO. PL 97-26" must be typed on purchase orders issued against this price list.

**STATE'S COMMITMENT.** Pursuant to Section 3-121-6, Hawaii Administrative Rules, it is mandatory that all agencies of the Executive Branch purchase from price lists issued by the State Procurement Office. Further, the chief procurement officers for the Judiciary, the Department of Education, the University of Hawaii, the House of Representatives, and the Community Hospitals Division have committed their agencies to purchase from this price list.

**EXCEPTION TO THE PRICE LIST.** When quality level or product design is not suited to an agency's purpose, exception may be granted to the agency by the Procurement Administrator. Again, this approval shall be in the form of a "Request for Authorization to Purchase Outside of the Price List" from the State Procurement Office.

**DELIVERIES** on purchase orders totaling \$20.00 or more (excluding the 4% General Excise Tax) shall be made within five (5) working days in city limits\* and ten (10) working days in rural areas\* following receipt of purchase order by vendor. Purchase orders totaling less than \$20.00 shall be made available to the ordering agency on a "will call" basis within five (5) working days, OR, at the option of the ordering agency, delivered by the vendor for a flat delivery charge of \$5.00. General Excise Tax shall not be applied to the delivery charge. The minimum order for each purchase order shall be \$15.00.

Agencies are advised to inspect merchandise delivered immediately upon receipt and report any discrepancies to the vendor within five (5) working days from date of delivery.

**PURCHASES FROM HO'OPOONO.** Reference is made to Administrative Directive No. 1 of July 21, 1967, which mandates all State agencies to purchase products manufactured by the blind and visually handicapped persons. Unit price for products manufactured by Ho'opono includes delivery to destination, including the 4% Hawaii General Excise Tax.

Delivery of Ho'opono products will be made for each purchase order totaling \$15.00 or more. Purchase orders for less than \$15.00 shall be made available to the using agency on a "will call" basis and delivery shall be made only at the option of the Ho'opono workshop according to their delivery schedule.

If your agency is located within the Honolulu city limits, Ho'opono will deliver your products within ten (10) calendar days after they receive your purchase order. If your agency is located outside of the Honolulu city limits, Ho'opono will deliver your products within twenty-one (21) calendar days after they receive your purchase order. If you are not sure if you are "within" or "outside of" the Honolulu city limits, you may contact Ho'opono directly.

Specific questions regarding the products listed herein should be directed to the respective vendor. Any other procurement questions or complaints may be directed to Mrs. Sharon Koga at 586-0562.

## General Information

1. Nukote Ribbons. For information or assistance with Nukote ribbons, agencies may telephone Nukote International Customer Service at 1-800-448-1422 (toll free).
2. Confirming Purchase Orders. If a vendor will accept a telephoned or faxed order followed by a hard copy of the purchase order, you must indicate on the purchase order that it is a CONFIRMING ORDER. This will prevent a duplicate order.
3. Purchase Orders To Each Vendor. Please combine as many of your requisitions as possible on one purchase order. This saves time and money for both you and the vendor.
